- **INFORMACION IMPORTANTE:**
  - Applicants must mandatorily submit a request for participation online. For this purpose, UPV/EHU will give them a code (once they have send the requested documents), which gives them access to the 2016-2017 Participation Request Form.
  - On the SEP website (<http://echanges-etudiants.bci-qc.ca/>), students will find all the information they need to prepare their application file.
  - We'd also suggest that you read up on the **SPECIFIC CONDITIONS LAID OUT BY QUEBEC'S INSTITUTIONS** (<http://echanges-etudiants.bci-qc.ca/i-am-enrolled-at-a-partner-institution-abroad/int-selecting-my-host-institution-search-for-a-host-institution/int-am-i-eligible/int-list-of-qc-universities-additional-conditions/?lang=en>)
  - It's also important to make the submission deadline, and to note that a student can only complete a single request for participation.
