All accepted abstracts will be published in the Conference Abstracts Book.

Abstracts can be written in both Spanish or English and should have a maximum length of two pages, including references. Pages should be of a width of 15.6 cm. Left and right margins must be of 2.7 cm, upper margin should be of 3.3 cm and lower one of 3.9 cm. Text alignment must be justified and pages should not be numbered.

The abstract can contain figures which must be centered. The number and caption of the figure should appear below the figure:

Figure 1: Figure caption.

In case of use tables, these must be centered, and number and title located above the table:

Table 1: Table title.

NAME	DESCRIPTION
A	Fuzzy subset
μ_A	Membership function

Please use the LaTeX or MS Word templates provided on the conference website to ensure the correct formatting of the submissions.
