

1) Internship - Fashion

Looking for an intern to help kickstart a fashion startup. We will be creating a website that will enlist all the local, cool and unique boutiques and upcoming designers across Europe. It will be a fast paced and challenging environment where you will get the chance to

- Create the website
- Help with brand image and logo design
- Photography and videography – marketing lens, different from fashion blogs as this would be the real medium of communicating – through a creative medium of storytelling videos

Apply Before: 2017-10-26

* Offered Salary 500 – 700

3) Internship – Community Manager Paris

COMPANY DESCRIPTION

Toluna is the world's leading independent online panel and survey technology provider to the global market research industry, with offices in Europe, North America and Asia Pacific. We have internship vacancies available as Community Manager (native speakers only). We provide students with a unique multicultural professional experience that teaches them a variety of meaningful tasks, giving you a great deal of responsibilities, most notably: managing the online communities on Toluna.com and social media presence for their countries.

JOB DESCRIPTION

We have internship vacancies available as Community Manager (native speakers only). We provide students with a unique multicultural professional experience that teaches them a variety of meaningful tasks, giving you a great deal of responsibilities, most notably: managing the online communities on Toluna.com and social media presence for their countries. As a CM at Toluna you will be working alongside interns from all over Europe in English, and collaborating with team members in the US, Romania, and Hong Kong teams. Interns are mentored by the Team managers and more experienced Community Managers. You will finish the internship having gained a broad experience in digital community management, marketing, and online communications. Placements start throughout the year, depending on your native language. **We are currently recruiting for 2017 and 2018.**

What we're looking for:

- Natives of one of these languages: German, Dutch, Arabic, Polish, Spanish, Italian, Portuguese, Greek, Czech
- Good level of English (B2); No French required
- A good knowledge and interest in the internet is essential along with the ability to use Microsoft office, word, excel etc.
- Customer service experience is a plus

– Internship duration: 6 months.

Tasks:

Consolidate and monitor the community through our different channels: site, blog and Facebook page; Design and offer members a unique community experience, with the support of the Team and respective managers; Increase member's loyalty and activity on the sites; Provide high quality translations; Own our customer service platform; Website/product testing for R&D team, escalating issues as necessary and providing general site support; Monitoring the e-reputation of Toluna on 3rd party sites, ensuring a sufficient company response when needed and escalating important issues to the management team; Helping with other activities as needed.

What we offer:

- Learning to take initiative
- Learning to work in a team and autonomously
- Paid internship
