AURKEZPENA

Professional and academic environments are becoming increasingly international. A good command of the English language is a must for anyone wishing to work effectively at a global level. This course intends to address this need and help participants improve their English language and communication skills, both oral and written, in the professional and academic sphere.

ZURE BILA GABILTZA

If you already have a good command of English, but you would like to improve it in areas related to the academic or professional environment, this may be the course for you. You will have the opportunity to explore and practice further the linguistic aspects of communication, both orally and in the writing form, to an advanced level. You will improve your speaking and writing skills in the academic sphere related to your field of study. The course is very practical. Come and join us!

IRTEERA PROFESIONALAK

This course may be of interest to final-year students who are considering to pursue graduate studies abroad, as well as to teaching or administrative staff who would like to improve their oral and written English and therefore be able to work in more international environments.
