COURSE

27170 - Communication, Genre & Mass Culture in the Contemporary World

Credits, ECTS: 6

COURSE DESCRIPTION

The aim of the subject is to help the student to interpret the different manifestations of mass culture (literature, film, television, advertising and fashion...) from a point of view that integrates the gender dimension. Students will learn to interpret the cultural manifestations of the 19th and 20th centuries as expressions of a given State of relations between the genders.

The subject contributes to developing the degree's general competencies, mostly those that refer to the critical analysis of cultural projects, and, those more related to history, especially the management of information and its organization and transmission both orally and written, individually and collectively.

COMPETENCIES/LEARNING RESULTS FOR THE SUBJECT

Competencies

G001 - Acquire knowledge and understand the meaning and relevance of theories, concepts and methodologies in the context of the (inter)disciplinary field of communication and especially of advertising and public relations techniques.

G002 - Apply theories and methodological tools to practice in different communicative processes and contexts.

G004 - Analyze, interpret, explain and critically evaluate facts, social processes, texts and communicative projects.

G005 - Communicate and present projects, achievements and results of work and research in different genres, formats and media of advertising and public relations fluently, effectively and with arguments.

G007 - Apply skills and use techniques, technologies and resources to the development of contents and processes of advertising and public relations communication and information in general.

G008 - Plan and design strategies aimed at identifying objectives and planning actions in the context of the development of advertising and public relations projects.

G009 - Acquire knowledge and experience of professional environments and routines in order to approach the reality of the work of the different professional profiles in the field of advertising and public relations demanded by the market.

G010 - Search, select, prioritize and analyze information and documentation in different sources, adapting its content to different forms and narrative strategies.

CB1 - That students have demonstrated possession and understanding of knowledge in an area of study that builds on the foundation of general secondary education, and is usually at a level that, while relying on advanced textbooks, also includes some aspects that involve knowledge from the cutting edge of their field of study.

CB2 - That students know how to apply their knowledge to their work or vocation in a professional manner and possess the skills that are usually demonstrated through the development and defense of arguments and problem solving within their field of study.

CB3 - That students have the ability to gather and interpret relevant data (usually within their area of study) to make judgments that include reflection on relevant social, scientific or ethical issues.

CB4 - Students should be able to convey information, ideas, problems and solutions to both specialized and non-specialized audiences.

CB5 - That students have developed those learning skills necessary to undertake further studies with a high degree of autonomy.

TRANSVERSALS

CT2 - Social commitment.

CT4 - Ethics and professional responsibility.

CT7 - Critical thinking.

CONTENIDOS TEÓRICO-PRÁCTICOS

1. THE FORMATION OF THE CONTEMPORARY WORLD AND ROUSSEAU'S WORK. The objective is to analyze Rousseau's novel The New Eloise.
