**How to nominate students**

In order to nominate your students, please fill out the [online nomination form](#).

Officially nominated students are tuition fee waived. We will inform your students on how to apply correctly after you have nominated them.

Nominating tuition-fee waived student will count in the general balance between Aarhus University and your institution. Unless otherwise agreed, we count 3 summer university nominations toward 1 regular semester nomination. If you do not wish to spend exchange balance on AU Summer University, your students cannot apply as exchange students but should apply as free movers (fee-paying students).

**It's easy for students to apply**

By following [these application steps](#) students are close to an amazing summer experience!

**We cannot wait to welcome your students to AU Summer University 2021!**

Please do not hesitate to contact [SummerUniversity@au.dk](mailto:SummerUniversity@au.dk) if you have any questions.

Best regards,  
The AU Summer University team
