

# Summer Schools 2021

## by the University of Fribourg, Switzerland

Dear Partners,

Greetings from Switzerland!

The University of Fribourg is glad to announce **THREE SUMMER SCHOOLS** happening from June to September 2021:

- The interdisciplinary program **Introduction to Switzerland, International Communication & Business**, which attracts mostly international student body, will be held **online**.
- **The other two summer schools** are foreseen to **take place on the campus** thanks to the gradual easing of measures in Switzerland. We warmly welcome those who can travel to Switzerland to join us in Fribourg this summer.
