

Dear Colleagues,

Greetings from the University of Ljubljana.

Faculties and Academies of the University of Ljubljana offer more than 20 summer school courses in 2021 from a wide variety of disciplines: from economic and business sciences, law to social work and technical sciences. The most traditional ones are the summer school programs organized by the Faculty of Arts: the 57<sup>th</sup> Seminar of Slovenian Language, Literature and Culture, and the 40<sup>th</sup> Summer School of Slovenian Language attracting more Slovenian language enthusiasts from all over the world each year. You can find more detailed information on the summer school courses at our website [www.uni-lj.si/study/summerschools](http://www.uni-lj.si/study/summerschools).

These summer school courses should be of interest to any students who would like to discover more about the University of Ljubljana, Ljubljana, and Slovenia before joining us through any of our existing exchange partnerships. Please feel free to pass on this information to your departments and/or any interested students.

We look forward to our further fruitful collaboration.
