If travel restrictions make it impossible to run 'face to face' classes, our scheduled training weeks will be made available online on the same dates. Online courses can also be organised as **closed group classes** for staff groups who share the same training needs. Dates arranged to suit participants. Our Online Classes are live and interactive, and all students will have access to our **Online Learning Support Platform** for extra support and resources.

In the links below you will find **fact sheets** for our **Face to Face** and **Online Erasmus+** courses a **video testimonial** by a past student, **dates and prices** for 2021 and information about the **accommodation options** provided by Atlantic Language.
