

Transylvania International Summer Courses of Romanian Language and Civilization

Dear partners,

We are contacting you on behalf of the Babes-Bolyai University in Cluj-Napoca, Romania. Our University embraces the new academic online workstyle in all of its activities. The traditional excellence endorses the innovative, ground-breaking technological tools, enabling us to deliver services, support and knowledge of an extensive quality.

We are kindly asking you to help us promote our (now) ONLINE project.

Transylvania International Summer Courses of Romanian Language and Civilization will take place between July 20th – August 7th, 2020. We set up a 3-week teaching plan, consisting of a 3-hour course programme each working day, in the afternoon. The cost of the course is 500 EUR. Besides the Romanian language classes, it includes live, interactive conferences and demonstrative workshops on Romanian culture and civilization, free of charge. As quality is one of our absolute preoccupations, we will form multiple small groups, based on the language level of the participants (beginner, intermediate, advanced), so that participants enjoy extensive interaction with the teacher and peers. At the end of the course, each participant will be granted with 4 ECTS and with an attendance certificate.

Deadline of the application: July 15th, 2020
