

Dear Partner,

Greetings from Toulouse! We hope that you are in good health!

We are writing to give you an update regarding our 2020 Summer School programmes in the wake to the recent Coronavirus outbreak.

You will have heard that since Tuesday 17th March the French government confined the French population to their homes for a period of two weeks. Government sources infer that this may be renewed, but that the situation may return to normal by the beginning of May.

We would like to reassure you that with this outlook, and as things stand today, the TBS Summer School programs in Toulouse & Barcelona and the Joint Summer School with Ljubljana will still run.

Nevertheless, as we are unsure how long the situation will last, and because we would like to be able to encourage as many students who wish to, to still participate in the Summer School program, TBS has decided the following:

New Registration Deadlines:

Single Toulouse, Joint Toulouse & Barcelona, Joint Toulouse & Ljubljana programs :

- Students requiring a visa: 1st May
- Students who do not require a visa : 14th May

Barcelona Single Summer School:

- Students requiring a visa: 29th May
- Students who do not require a visa : 8th June

And the Good News....!

Early Bird Program Fees for all students:

All students will qualify for the Early Bird Discounted Program Fees whatever the date of their application.
