

5th
"The Meeting Point for Civil Engineers, Architects, City & Urban Planners"
World Multidisciplinary Civil Engineering - Architecture - Urban Planning Symposium

WMCAUS 2020

up to 1 000 presentations from 67 different countries,
one of the biggest events in it's topic in the WORLD ...

15-19 June, 2020 - Prague (Czech Republic)

Dear Colleague,

Thank you for the huge interest in World Multidisciplinary Civil Engineering-Architecture-Urban Planning Symposium - WMCAUS 2020. In spite of the global coronavirus (COVID-19) pandemic, until now, ~500 abstracts had been submitted from ~50 different countries all over the world.

After the postponing of the event, the Committee decided to **EXTEND the DEADLINE for Abstract & Fulltext Submission** because of the great amount of the requests from the colleagues who afraid of registering, submitting of the contribution, scheduling their travels depending on the global coronavirus (COVID-19) pandemic.

This year, there will also be the option to be Video Conference for the participants who need to choose this option because of their situation depending on the Covid-19 pandemic in their country.

Extended Abstract Submission - 10 July 2020

Extended Fulltext Submission (if you want to submit) - 17 July 2020

Register now and upload your contribution(s) via given link below

<https://www.wmcaus.org/module.html>

All published articles will be indexed in Web of Science, Scopus, etc.

Looking forward to meeting you in Prague, Czech Republic during 1-5 September 2020.

We encourage you advertise this meeting in your group and researchers.

Stay safe, stay healthy, stay strong.

Sincerely yours,

WMCAUS Committee Prague
