Dear Colleagues,

Dear Students,

This Summer, visit Limassol and Cyprus University of Technology - CUT!

The Cyprus Interaction Lab (http://www.cyprusinteractionlab.com/) of the Department of Multimedia and Graphic Art at CUT, in collaboration with Tallinn University Institute of Informatics and the Interaction Design Lab, EstCHI, as well as Cyprus SIGCHI chapter, are organizing a summer school, on the topic of Research Methods in HCI.

When: July 6th-10th 2015.

For More details and registrations:

Participants

The course mainly targets PhD students, however others with relevant background or interests are also welcome to join.

Credit points

Upon full participation students will be awarded 4 ECTS points.

Course fee

The participation fee is 400 EUR (300 EUR for students) and does not include accommodation or meals. Optional accommodation in local student housing costs 135 EUR and must be requested when registering for this course. NB! You do not need to make a separate booking, a pre-booking has already been made for the summer school participants.

A number of scholarships covering participation fees and/or student housing are available. You can apply for a scholarship until May 15 by sending: your course registration reference, a motivation letter, the contact details of two persons from who we can ask recommendations, and a CV to HCI-SS2015@cyprusinteractionlab.com.
