Overview

Join the Bayreuth International Summer School 2021!

The Bayreuth International Summer School brings students and lecturers from all over the world together. From 5 - 16 July 2021 the team of the Summer School will offer you a truly interdisciplinary programme and a platform for shared learning experiences and cultural exchange.

BISS 10th Anniversary

In July 2021, the Bayreuth International Summer School is celebrating its 10th year with a host of renowned international lecturers and a wide variety of interdisciplinary courses. More detailed information will be available on our website shortly.

More information? Contact us!

Our team is happy to assist you with any questions related to our Summer School.
