GENERAL INFORMATION ABOUT THE COMPANY/INSTITUTION	We are the digital pioneers of an old and intransparent industry and are in the process of changing it forever. We digitize the scrap metal industry. In Germany and Austria we operate online platforms to source scrap metal, which is sold to an international network of recyclers. We are agile and fast, but have the experience and international network of a medium-sized scrap metal dealer in the background. We are well financed and have top international investors and business angels on board (FJ Labs, Gisbert Rühl, Fil Rouge, startup300, Statkraft) who actively support us. The team has a lot of experience in building companies and in the scrap metal industry, at the same time we are international (our twenty-member team comes from 12 different nations) and move fast.
SIZE OF THE COMPANY (EMPLOYEES)	20+
NUMBER OF PEOPLE AT THE DEPARTMENT WHERE THE TRAINEESHIP WILL TAKE PLAKE	8
MAIN ACTIVITY OF THE COMPANY/INSTITUTION	Scrap metal trading assisted by custom built software
A BRIEF EXPLANATION OF MAIN PROJECTS	<p>Building custom tools and websites that help with scrap trading. We have 5+ web based applications written using Javascript. We have a team of 5 senior developers ready to guide the trainees and help them integrate into the team. (developers)</p> <p>Researching existing and new markets, building databases of customers, suppliers and partners, business communication, copywriting, proof reading.
