<p> GENERAL INFORMATION ABOUT THE COMPANY/INSTITUTION </p>	<p>Chile has contributed to the world with great inventions, from Hepatitis B vaccine, Snake retro game, to Cornershop or NotCo. We are convinced that we have much more to contribute to the world, both in entrepreneurship and innovation. For this, we would love for you to join us in this mission to assist high impact tech entrepreneurs from all over the world, to develop their companies in Chile.</p> <p>We are the first equity free, public accelerator in the world. Today, ten years from our birth, we have supported two thousand startups that generated over USD 1.25 Bn in sales and whose founders are natives from 85 countries. The portfolio is valued at roughly USD 2 Bn and 60 of them made an exit. In fact, we are the number 1 accelerator in Latam and fourth in the world (still the only public one among the top five) and we are led by a young and eager 25-person team.</p> <p>Amazing, huh? This is only the beginning. We are increasing our impact in the global ecosystem and for this we need the best young talent. Interns in SUP come from different countries and from day 1 we challenge them to contribute with ideas, and put the extra mile in their work.</p>
