

Listed below are the procedures necessary to obtain the Certificate of Eligibility I-20 (F-1 student visa) or the DS-2019 (J-1 student visa). The process for issuing your Certificate of Eligibility will begin once you have been admitted to the University and have submitted the necessary documentation to our office by the application deadline. Please submit the Declaration and Certification of Finances form by email iadmiss@fiu.edu.

Declaration and Certification of Finances

As part of the application process you must complete the Declaration and Certification of Finances (DCF) and provide a copy of your passport. Additionally, if you are currently on a visa please provide a copy of your current visa information. The University is required by immigration authorities to carefully check the financial resources of each applicant prior to issuing the Form I-20/DS-2019. Failure to comply with requirements may delay your visa and date of entry to the US. **Do not enter the U.S. on a B-1/B-2 (tourist) visa or visa waiver; students who enter on a B-1/B-2 visa are prohibited from enrolling in academic courses and must leave the U.S. to return on the appropriate F-1 or J-1 visa.**

Please Note: We will accept copies, scans or faxes, but be aware that the Embassy/Consulate will require original financial information, which matches the information on the I-20 or DS-2019 during the visa appointment. Submitting inadequate or falsified information will jeopardize the issuance of the student visa. Financial documents must be current, within 30 days of the date they are submitted to International Admissions.

Cost of Attendance

The DCF must reflect the annual estimated cost of graduate or undergraduate attendance as stated below. If you are admitted to Summer you must show support which reflects the cost of Summer attendance as well as the annual cost of the full academic year.

Annual Estimate of Graduate Costs 2020 - 2021			
	Fall & Spring	Summer	Total Cost (Fall, Spring & Summer)
	9 credit hours per semester	6 credit hours per semester	24 credit hours

Medical Insurance	\$2,923	\$505	\$3,428
Total	\$38,697	\$9,126	\$47,823

Annual estimate of costs are based on the 2020 – 2019 Financial Aid Student Budgets available on the OneStop website:

<https://onestop.fiu.edu/finances/#/finances/estimate-your-costs/>. Tuition and fees are subject to change and are estimates; costs do not reflect actual required payments to FIU. International students must be enrolled full-time to maintain their visa status. Full-time undergraduate enrollment is at least 12 credit hours per semester. Full-time graduate enrollment is at least 9 credit hours. Students who are admitted in the Summer C semester must enroll full time; students admitted to Summer B must enroll for 6 credit hours.

Living expenses are estimated at \$1,932/month for undergraduates and \$2,226/month for graduate students to cover room, board, transportation and incidentals. Undergraduate room cost is based on on-campus housing while graduate costs are based on off-campus room rates. Costs for private accommodations off-campus are significantly higher. Students should be aware that often the first month's rent is higher to fund security deposit, upfront rent, electricity, water and telephone. It is estimated that at least twice the normal monthly amount is needed for the first month to cover deposits and settling in expenses.

Students who will be living with a parent or sponsor may calculate their living expenses at \$1,224 per month to cover room & board, transportation and personal expenses. The cost of Fall and Spring is \$9,796, while Summer is \$4,898. In order to provide a reduced DCF form, the student must present a Room & Board Letter that includes the name of the parent/sponsor where he/she will be residing. This letter must be notarized by a U.S. Notary Public. **Please be aware current F-1/J-1 students may not sponsor other F-1/J-1 students.**

Medical Insurance

All international students are required to carry medical insurance, which meets University requirements. A policy is available for purchase online from Student Health Services: <http://studenthealth.fiu.edu>. Health insurance coverage for a full year, August 17, 2019 to August 16, 2020, is \$2,923 for a student and \$2,923 each for a child and/or spouse. Students admitted into the Summer term pay an additional premium for Summer only medical insurance either \$792 for Summer A/C or \$505 for Summer B/Early Fall, otherwise insurance premiums are paid on an annual basis and cover Fall term – Summer term. To learn more about insurance please visit this website: <https://studentaffairs.fiu.edu/health-and-fitness/student-health/insurance/international-students/index.php>

Current F-1 or J-1 Student Visa Holders

If you are currently holding an F-1 or J-1 student visa and plan to transfer from another U.S. institution to FIU you must also submit a DCF with supporting documents as indicated above. **Your current institution must release your SEVIS record to FIU before your new Form I-20/DS-2019 will be issued; this happens only after you are admitted to FIU.** Therefore, you need to complete the top section of the F-1 Student Transfer Form (page 5) including your current U.S. address, and have the international student advisor at your current/previous school complete the bottom section. Once we have received the form and your SEVIS record has been released, we will begin the process to issue a new Form I-20/DS-2019.

Information in SEVIS must be electronically forwarded to FIU before issuance of the new Form I-20/DS-2019 will be possible. Your SEVIS record will only be released at the end of the term in which you are currently enrolled.

Please do not plan any international travel without making appropriate arrangements for securing your new I-20/DS-2019 in advance. A minimum of two full weeks processing time is needed for your I-20/DS-2019 to be ready once all documents are received and approved. You must use a courier service if you leave the country without receiving your transfer I-20; you are strongly encouraged not to leave the country without your transfer I-20. International Admissions cannot guarantee faster processing time.

Current F-1 or J-1 Student Visa Holder Not in Status

If you are not in status at the time of your admissions offer, there are two options, reinstatement or reentry into the United States. The process of reinstatement is lengthy and requires the approval by your previous institution, their request to SEVIS to reinstate your record and approval by U.S. Citizenship and Immigration Services (USCIS). Your previous institution will not submit a reinstatement request, if you are not currently enrolled as a fulltime student, this includes if you have completed your program or have stayed beyond the 60-day grace period. For reentry, International Admissions will issue you a new initial I-20 and request that you “restart” your F-1 status by reentering the United States. It is not suggested to make new entry into the United States by way of the Caribbean. Taking a cruise is also not a viable reentry option. **International Admissions strongly encourages the issuance of a new I-20 and reentry to the U.S. in most cases.** Your new initial I-20 and new SEVIS number will require you to pay the SEVIS fee; you may not need a new F-1, if your F-1 visa is still valid. Please retain your expired I-20.

Students with Dependents

Students who plan to bring their dependent(s) to the U.S. will require additional financial support to cover the dependents and must complete page 2 of the DCF form. The additional financial support should be reflected on the student’s DCF form page 3 in the amount of \$6,000 for his/her spouse and \$4,000 for each child. Additional insurance for the family of F-1 students is optional, but highly recommended. Medical insurance is required for all J-2 dependents. F-2 dependents are not permitted to work, but may enroll part-time in university coursework.

I-20/DS-2019 Delivery Options

You may elect to have your I-20/DS-2019 sent to you by courier service, picked up at FIU at the International Admissions office located in the SASC building or sent by standard mail. The courier service is expensive, but it is the only way to ensure timely delivery of your documents with a tracking number. FIU utilizes University Express Mail Service: <https://study.eshipglobal.com> as our courier. **Do not sign up with the courier until you have been admitted.** Students who do not choose to use the courier may arrange to pick up or request someone to pick up their Form I-20/DS-2019 on their behalf. Identification is necessary in order to release the documents, so please make sure to have a Panther ID, Driver’s License or Passport for picking up documents. **Please also bring a copy of the email notification indicating your I-20 is ready for pick-up. It is not possible to pick-up your I-20 unless you been told it is ready for pick-up.** In the case you do not wish to use the courier or have your I-20/DS-2019 picked up, FIU will send your documents by United States Postal Service to the address included on the DCF. We cannot guarantee delivery success or the timeline required.

Next Steps

Once you receive your Initial I-20/DS-2019 you should proceed to pay the SEVIS I-901 Fee, schedule an appointment at a U.S. Embassy or Consulate and apply for an F-1 or J-1 visa. You can review these steps here: <https://internationaladmissions.fiu.edu/last-steps/>. International Student and Scholar Services provides helpful pre-arrival guide on their website (<https://globalaffairs.fiu.edu/iss/international-students/new-f1-students/>).

All F-1 student applicants transferring from a U.S. institution to FIU or being admitted from FIU’s English Language Institute or from another FIU degree-seeking program must complete this form. As part of the admission process, your F-1 visa status must be verified with your current institution, including high school and English language program. Complete Section I and give this form to your international student advisor at your current/previous institution along with a copy of your admissions notification. Your international student advisor at your current/previous institution will complete Section II of the form and should return it to International Admissions by email at iadmiss@fiu.edu. **The form must include a specific release date in order to transfer your I-20; the form will remain incomplete without it.**

We cannot issue your I-20 for transfer until your SEVIS record has been released from your current institution and until we receive the completed Transfer Form verifying your status. Issuance of the I-20 takes a couple of weeks after the release date. **DO NOT plan to travel without arranging to receive a new I-20 from FIU prior to traveling, as you will not be allowed to reenter the U.S. on your previous I-20.**

If you are currently out of status, FIU will issue you a new initial I-20. You will be required to pay the SEVIS fee related to the new I-20 and leave the U.S. to reenter on the new I-20. It is not suggested to make new entry into the United States by way of the Caribbean. Taking a cruise is also not a viable reentry option. You may also be required to receive a new F-1 visa, in the case that your F-1 visa is expired.

Note: All authorized employment at your current/previous institution and/or any remaining OPT employment authorization based on your current/previous degree program will end once your SEVIS record has been released to FIU.
