Boise, the capital city of Idaho has a population of about 250,000. With quick and easy access to a variety of outdoor trails, skiing, water sports and more, it has become not only a vacation destination but an ideal place for new businesses, small and large as well as a wonderful city for families, young adults and retirees alike. The Basque Museum & Cultural Center is located in the heart of downtown Boise on the Basque Block. Surrounded by the Grove Plaza, where weekly concerts take place in the summer, City Hall, and many great pubs and restaurants, there is always music to hear, food to try and many options for activities.
