Concrete tasks can be practical life activities with the children, playing, helping to plan and carry out group activities, constructing, gymnastics, singing, preparing meals, etc. Based on the interests and skills of the volunteers and the interests of the children and young people it is possible to implement creative ideas.
COMPETENCES, SKILLS and EXPERIENCE REQUIREMENTS	
Requested profile(s) information (Studies, previous experience, language skills, other skills...)	Due to the sensitive field of working with small children we prefer interns from a vocational school or university for early-child education. Since our company is located in a rural area a driver's license would be strongly recommended.
