INTERNSHIP/PLACEMENT INFORMATION	
<b>Department</b> (in case you want more than 1 trainee, indicate the different departments where they will work)	Marketing and Communication
<b>Description of project/activities</b> (in case you want more than 1 trainee, indicate the different projects/activities on which they will work)	The trainee will assist the Marketing and Communication department by producing all necessary multimedia content used within the communication strategy and also within the proposals to be presented for Arch Innovation. Arch Innovation project will have, at short notice, the need of producing several promotional videos regarding the different partners and solutions that compose its offer. Also the graphic presentation of the various products will demand a greater level of exigency, so one will need to be more focused on the development of all graphic material that will support the communication and commercial activity of Arch Innovation. Also DIMSCALE will have the need of producing several videos and graphics that will support its communication plan' actions.
<b>COMPETENCES, SKILLS and EXPERIENCE REQUIREMENTS</b>
