

SUMMER SCHOOL IN Vytautas Magnus University (VMU)

Greetings from Vytautas Magnus University (VMU) in Kaunas, Lithuania!

I am glad to inform you that this summer VMU is hosting the **Baltic Summer University**. We offer a variety of courses to boost students' professional skills, learn some Lithuanian and other languages, experience different cultures and meet new people. We kindly invite you to have a look at what we offer and share the information about the Baltic Summer University with students who might be interested in participating.
