<p><b>Requested profile(s) information</b> (Studies, previous experience, language skills, other skills...)</p>	<p>We have a multicultural group of children with a mixture of Italian, Portuguese, Dutch, French and Irish families; therefore fluency in English is not essential. We would like a trainee that has lots of creative energy, open to new experiences, takes initiative and sees value in working with young people. A trainee with teaching experience, or teaching qualifications would be excellent but not essential. The Steiner approach to learning is a very creative one and there is an emphasis put on drawing, painting and hand crafts. Having any of these skills is an added advantage.</p>
<p><b>Other commentaries</b></p>	<p><u>We are a new school, full of enthusiasm and energy. We hope to develop and improve education in Ireland for generations to come. The teacher is a native Irish speaker and though we have quite a multi-cultural group of children the gaelic language is promoted in the class.</u></p>
