Publication of the list of those definitively rejected due to failure to comply with access and/or admission requirements	18 July
Publication of the list of those admitted and those on the waiting list	22 July
Place reservations	23 to 26 July

## ENROLMENT

Anyone who has reserved a place on a course and complies with the requirements for enrolling on a Master's degree can enrol following the publication of the corresponding Regional Ministry for Education Order establishing the prices for public higher education services at the University of the Basque Country for the 2024-2025 academic year. **The deadline for enrolment is 31 July**, except in the case of those who, on that date, do not yet comply with the requirements for enrolling on a Master's degree course but will be in a position to do before the start of the course.

In the event of a candidate failing to formalise their enrolment within the established deadline, the reservation of their place on the course will automatically be cancelled.

From 26 July onwards, if any free places are left on any Master's degrees, interested candidates may submit an application directly to the secretariat of the faculty running the course. In such cases, enrolment must be completed by the deadline established by said faculty.

Candidates accessing a course via this route must enrol **within the period established by the Faculty** running the specific Master's degree course in question. Each Faculty will publish the enrolment dates for the Master's courses it runs on its website.
