

# IV Workshop on Wind (and) Marine Energy WWME 2022

December 15<sup>th</sup>, 2022, online

Univ. Complutense Madrid-University of Basque Country

## CALL FOR PAPERS

Potential contributors are invited to submit research advances on modelling, control, simulation, prediction, O&M, and other related issues regarding wind and marine energy systems.

**Registration to the Workshop is FREE. All accepted papers will be published in “Lecture Notes on Clean Energy Generation”, ISBN (UPV/EHU).**

Accepted contributions will be online presented (**3 minutes video**).

- **Submission length:** maximum of 6 pages
- **Submission deadline:** 25 November 2022
- **Notification of Acceptance:** 05 December 2022
- **Camera-ready deadline:** 10 December 2022
- **Submission method:** Submit to [irfanahmad.irfan@ehu.eus](mailto:irfanahmad.irfan@ehu.eus)
- **Submission language:** English, Spanish or Basque (with additional English abstract)
- **Submission format:** IEEE style  
(<https://www.ieee.org/conferences/publishing/templates.html>)

Selected papers will be further invited to submit an English extended version to the special issue "[Advances in Optimization and Control of Electronic Devices for Renewable and Clean Energy Systems and Applications](#)" *Electronics* and other special issues of scientific journals.
