IBERO-AMERICAN MEETING: FRAMEWORK FOR THE DEVELOPMENT OF UNIVERSITY TEACHERS'
ACADEMIC AND PROFESSIONAL CAREER

Representatives of institutions and service for counselling and supporting faculty from universities in Iberoamerica are invited to join this meeting to share their ideas about academic career development. RED-U will present the document to the rest of the participants and there will be a debate about the possible adaptation of this framework to the realities of the different countries.

This meeting will take place in June 12, at the Conference venue during the pre-conference day in the morning, from 11:00 to 13:00.
