**REMARKS:**

We would be so grateful to have 1 intern at Boiseko Ikastola and 2 interns at the Basque Museum in the Curatorial Department (separate application and location, but part of the same organization, just under the Curatorial Department).

We would also offer each of them the opportunity to teach Euskara to adults as part of our Education programs that would allow them to teach more of the culture as well as immerse them in the Boise Basque community. As such, they would also receive a free membership to the Euskal Etxea in Boise, and we would assist them with housing and transportation (usually bikes and bus passes).
