<b>Comments</b>	

**PRE-AGREEMENT ON INTERNSHIP EXTENSION**

The company/organisation declares its commitment to extend the intern's stay under the Global Training programme for:

6 months.

No Extension.

This extension is conditional upon the normal and satisfactory completion of the initial 6-month funded internship period. During the extended period, the insurance cost will be covered by the company/organisation. The monthly allowance may not be less than €1,000.

**MONTHLY ALLOWANCE DURING EXTENSION:**

Same as the programme allowance (€1,635)

\_\_\_\_\_ € (must not be less than €1,000)

No Extension.

**STATUTORY DECLARATION:**

The applying company or organisation declares that:

All information provided in this document is true and accurate.

No more than 5 internships are being offered at this site under Global Training 2025 and no more than 2 per supervisor.

Where a visa or other permit is essential for the intern's stay in the host country, all relevant legal requirements are met.

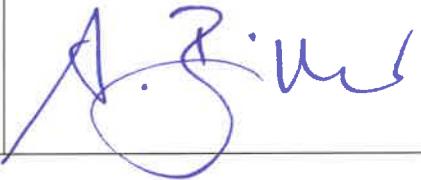

In the case of signing the extension pre-agreement, the company will provide supporting documentation confirming the extension (e.g. internship contract or similar). If unable to honour this commitment due to unforeseen circumstances, a report will be submitted detailing the reasons and providing the necessary justification.
