

Accountability or the never-ending 'art' of bringing virtues to politics: Insights and potentials for criminology and victimology

What is the meaning of accountability for harm doers, harmed ones and communities? How does it vary in different contexts and cases? Why is it important? How can we implement it in concrete ways?

A conversation with: Jaseff Raziel Yauri-Miranda
Post-doctoral researcher at the Basque Institute of
Criminology and Fellow researcher at Erasmus
University Rotterdam

Basque Institute of Criminology Research Seminar

Antonio Beristain Auditorium

November 11, 2024, 15:30-17:00

Free entrance
