EDUCATIONAL MODEL (MAPS)

Tecmilenio's educational model goes beyond traditional degree paths.

We integrate career-focused skills co-created with global industry leaders alongside our globally recognized Wellbeing & Happiness Ecosystem.

Tecmilenio's co-created educational model allows students to personalize their learning journey with stackable **certificates** instead of traditional courses.

Our innovative MAPS educational model allows students to design their academic journey based on goals and market demand:

- **M – Modular:** Structure your degree through practical, industry-aligned modules. Earn practical certificates throughout the studies rather than waiting until graduation.
- **A – Stackable** (Apilable): Accumulate up to 28+ stackable certificates and micro-credentials co-created with leading multinational companies.
- **P – Personalized:** Tailor academic curriculum around individual passions and fundamental **Life Purpose**.

Students receive continuous guidance from academic mentors, career counselors, and access a network of +4,000 corporate partnerships.

Practical information for incoming students

ARRIVAL DATES

Students must arrive in time for their orientation to Tecmilenio, the time and location will be specified on the acceptance letter (this usually takes place a week before the beginning of the period).

GUIDE FOR INTERNATIONAL INCOMING STUDENTS

Students will receive a guide from their host campus with information about the city, accommodation, important dates and facts they need to know prior to their arrival.

ACCOMMODATION

Universidad Tecmilenio does not have residence halls, therefore will provide information, contacts, and counsel in order to help students find a suitable place to stay for the duration of their studies.

VISA AND PERMITS

Please refer to the Mexican Embassy or Consulate closer to you to ensure you have the proper documentation before arriving in Mexico.

Depending on your nationality, a visa will or not will be necessary for your exchange. Some nationalities can stay in Mexico for up to 180 days. You will receive the Letter of Acceptance from Tecmilenio University prior your arrival to Mexico since you will have to show it to the migration agent upon your arrival at the airport and / or point of entry.

If you request an extension of your studies for more than 180 days in Mexico, please consider you will have to leave the country to obtain a student visa at a Mexican Consulate or Embassy of any foreign country.
