

Ba al zenekien...

... Lord Kelvinek (Sir W. Thomsonen, 1824-1907) honako hau idatzi zuela?

"For myself, I am anxious to be regarded by geologists ... as one constantly interested in their grand subject, and anxious in any way ... to assist them in their search for truth".

Iturria:

Sir W. Thompson (Lord Kelvin), 1869. On geological dynamics. Part I. Reply to Professor Huxley's Address to the Geological Society of London. Transactions of the Geological Society of Glasgow, 1869.
